

Seat Sponsor

In October 2007, Berwick Rangers FC Supporters' Club purchased 100 seats to kick-start the redevelopment of Shielfield Park. Donations received so far have brought the total seats purchased to over 600.

With the main stand seating capacity currently at 1224, we would like to give you, a valued supporter, the chance to give continued financial support to help your club complete the renewal of the main stand seating – with the added benefit of bringing the stadium into line with present day health and safety guidelines.

For the sum of **£20**, you can sponsor a seat and have your name added to the **Wall of Honour** which is displayed for all to see at the back of the Main Stand at Shielfield Park.

To sponsor a seat, please complete the sponsor slip below before sending it to:

The Secretary
Berwick Rangers FC Supporters' Club
1 Cotgreen Road, Tweedbank, Galashiels TD1 3SG

You can also sponsor online at www.berwickrangerssupportersclub.co.uk or hand the sponsor slip and payment to any Supporters' Club committee member.

I wish to sponsor a seat and have my name added to the Wall of Honour.
I enclose £20.
